

MEETING WITH PETER CONLON – QUEANBEYAN LIBRARY
7 AUGUST 2007 – 10 AM

SUBJECT: QCC SCHOLARSHIPS.

Scholarships are available for tertiary students or TAFE Cert IV or above. They are focussed on careers in Local Government. (Management, Town planning, Librarian, parks, engineering etc.etc..)

QCC provides \$1,000 towards text books, tools etc. If a position is available, QCC may also provide 4 weeks work placement (Jan/Feb) on training wage approx \$480 per week in addition to \$1,000 or a 12 month Project.

Response has been disappointing, so will target Year 10 students for in school promotions.

QBC could offer to contribute \$1,000 for an additional scholarship in an area of discipline suitable to the business community. If QBC or a Member wanted to offer the 4 weeks placement, they would be responsible for training wage, insurances and Workers Comp.

QCC Policy document and Application Form attached.

Additionally, QCC has an agreement with University of New England to assist a Town Planning Degree student. QCC provides funding of \$3,000 to \$4,000, and the student is required to undertake 12 weeks work experience at QCC (included within the \$3,000 to \$4,000).

Council approval would be required for QBC to become involved with any QCC partnership.

Simon Mitchell-Taverner
